

# How effectively was the power of the monarch challenged?

## Year 7 History Topic 5 Homework Project

DUE DATE:

In this topic, you have been exploring events in medieval England that challenged the power of the monarch. In our fourth lesson, we look at Edward I and his efforts to take over Wales and Scotland.

One reason that Edward I is a famous king of England is for the castles he built.

For your homework project, you are going to research and find a castle in England - it can be ANY castle. You must create a piece of work based on this castle. There are some ideas further down on this page.

**You must include:**

- When the castle was built
- The location of the castle
- Some key facts about the castle

**Ideas on what you could do:**

- A book
- A PowerPoint (and upload to your google classroom)
- A written piece of work
- A model of a castle
- A speech about your castle
